

#CutsCauseCrisis Call-In Day

HAVE YOUR SAY.
BE HEARD.
MAKE A DIFFERENCE.

June 10, 2020 • 10AM-2PM • CALL-IN

We are asking all advocates to call their state senators and representatives on Wednesday, June 10th to let them know **#CutsCauseCrisis**

We are asking for the following considerations:

1. Legislators should first consider ways to increase states funds rather than dramatically cutting services (e.g., increase the tobacco tax).
2. The family support program **CANNOT** be eliminated when **6,000 Georgians** are **currently waiting** for waiver services.
3. New waiver slots must continue to exist for families who are in crisis!
4. Funds from closed day programs should be redirected to increase supported employment rates.
