

General Questions for All NOFAS

1. Is there a separate/distinct process to qualify for the poverty match?

Answer to Question #1

No. The match requirements for all of the NOFAs have been predetermined by the Council and are listed in the grant. The rate for a Poverty Match is 10% of Council Funds. The rate for Non-Poverty match is 25% of Council funds. The match is not determined by the status of the applicant organization but rather by the granting entity, GCDD.

6. **APPENDIX F Project Data Sheet-1.docx**

7. **APPENDIX G Required Federal Forms 1 through 12.docx**

Are all of these forms required for the RFP process? What does the applicant do if a form does not apply, such as FORM #6: FINANCIAL INTEREST DISCLOSURE GOVERNOR'S COUNCIL ON INTELLECTUAL AND DEVELOPMENTAL

DISABILITIES POLICY RELATED TO CONFLICT OF INTEREST IN GRANT AWARDS? Should the applicant mark on the document "Not Applicable?"

Answer to Question #s 2-7

Please refer to the CHECKLIST that is attached to each NOFA to determine if you need to attach a document at the time you submit your grant application. Some forms are required at the time of submission while other forms are required to be submitted only if you are chosen as a grant recipient. Generally, the Contract Template and Appendix G are to be completed only if you are an award recipient. If the CHECKLIST says COMPLETE & SUBMIT, then it is required. Nonprofits do provide a service. Complete the forms to the best of your ability. If a line item does not apply, you may mark it as Non-applicable (N/A). The entire form should not be marked N/A. Please be sure to provide a signature if requested.

8. Can you tell me how I would get a DUNS number in order to get to the application? We are a non-profit.

Answer Question #8

A DUNS number is not required to apply for one of GCDD's grants. If you are a non-profit you should submit your 501C3 letter.
