

Atlanta Legal Aid Is Open During the COVID-19 Crisis

The **Disability Integration Project** at Atlanta Legal Aid Society is still open during this crisis. While we are not taking any office walk-in visits, we are still taking new applications for services.

Please call our intake line at 404-377-0707 if you are having trouble with any of the following:

- Have you been terminated from Medicaid or have your Medicaid services been terminated/reduced?

- Are you having trouble with your Medicaid waiver (NOW/COMP, SOURCE, CCSP, ICWP or GAPP)?
 - Has your day program closed?
 - Is your aide no longer showing up or coming for fewer hours?
 - Have you been told your services cannot begin at this time?

- Have you been discharged from a mental hospital without a place to go?

- Do you need help getting mental health services in the community?
- Are you having trouble getting your child ABA therapy or other services through Medicaid?

- Does your child have an IEP or a 504 plan that is not being followed through online education?

If you need help with other legal problems like divorce, evictions, or consumer issues, **call 404-524-5811**. You can access a full list of resources for navigating COVID-19 at www.georgialegalaid.org/resource/covid-19-resource-list
